Dear Ms. Stanyo:

This letter is prompted by the Commission's preliminary review of the report(s) referenced above. The review raised questions concerning certain information contained in the report(s). An itemization follows:

-Your calculations for Line 6(d), Column A appear to be incorrect. FEC calculations disclose this amount(s) to be $84,465.62. Please provide the corrected total(s) on the Summary Page.

-The totals listed on Line 6(c) and 7, Column B of the Summary Page appear to be incorrect. Please be advised that you should add the "Calendar Year-to-Date" total from your previous report to the current "Total This Period" figure from Column A to derive the correct Column B total. Please amend your report and any subsequent reports that may be affected by this correction.

-Your calculations for Line 30, Column B appear to be incorrect. FEC calculations disclose this amount(s) to be $23,126.63. Please provide the corrected total(s) on the Detailed Summary Page.

-Line 21(a) of the Detailed Summary Page should only be used to report the federal and non-federal shares of allocable activities. If your committee has only one account, the total operating expenditures (administrative expenses) should be reported on Line 21(b). Please amend your report to confirm the nature of your expenditures and to provide the total on the appropriate line.

A written response or an amendment to your original report(s) correcting the above problem(s) should be filed with the Federal Election Commission within fifteen (15) days of the date of this letter. If you need assistance, please feel free to contact me on our toll-free number, (800) 424-9530. My local number is (202) 694-1130.
