In response to your letter, please note that our programming errors have been corrected as we have discussed with you. Line 18 entries Itemized on Schedule H3 now reflects the correct transcations. Disbursements for Production refer to generic media and mail production and are not related to any specific candidate. The programmiong corrections have now allowed for the correct reporting of the in-kind contributions as directed by the Commission.The additional activity shown on the amendment dated 7/11/02 were left off of the original report due to a software error in apply date. This error occured only in the elctronic filing and it appeared to have been reported in our summary pages when the original report was filed. This error was found in July. The software logic was corrected and the report was amended. If you have any questions, please contact me at 202/479-7042.
