Schedule H2 & H3 Fundraising event: In preparing for the fundraising event at issue, the RNC anticipated that funds would be deposited into both its federal and nonfederal accounts, treating the fund-raiser as a joint federal/nonfederal event. As a result, it estimated the federal as well as the nonfederal share of costs. The RNC made expenditures for the events out of the federal account as required by FEC Regulations at 11C.F.R. sec. 106.5(f) It was only after the final tally of receipts at the end of the month that it became apparent that the proceeds were nonfederal. The nonfederal transfer for the events will be reported on next months H3.
