Laborers Political League is responding to an FEC request for amending Pre General Report for Oct 1 to Oct 13 2004. The following steps have been taken to correct this filing. Our NY State PAC are entered as split receipts for internal tracking as this PAC is divided between two separate regions, Eastern and New England. Therefore a transfer we received for 100000.00 was split and entered separately for 77000.00 and 23000.00 There was also a third transfer which also was split for the same reasons. The original transfer was for 41831.52 the amount you questioned was for 9621.25 the portion for our Eastern Region. We have corrected a contribution re ceived from Laborers Local No. 935 this was mistakenly reported as an itemized receipt and should have been posted as unitemized. The receipt is actually from individual members of Local 935 who contribute 2 cents per hour and never reach the 200.00 threshold FEC requires for itemizing. Lastly we have written a letter to Moore for Congress requesting a refund of our contribution to the 2004 General Election in the amount of 5000.00. Our other local contributed earlier on and did not notify us. I have mailed a copy of the letter sent out to the FEC for your records.
