Re: 12 Day Pre-General Report (10/01/14-10/15/14)

Dear Ms. Sinram:

In response to your request for addition information dated December 21, 2014:

1. The contributions from CME Group, Inc. PAC do not exceed the contributions limits. While received by this committee in the same year, the contributions were made by the contributor in two different years. The earlier contribution was received by us in January 22, 2014 but was made by the contribution in 2013. The envelope has a clear postmark of December 13, 2013 but had originally been sent to an old address and the forwarding by the post office delayed delivery. A copy of the envelope with the 2013 postmark remains on file in our office. Correctly attributing that contribution to the 2013 limits results in no excess contributions from CME Group PAC for 2013 or 2014.

Sincerely,

Nancy H. Watkins, Treasurer
