Re: Mid-Year Report (1/1/99 - 6/30/99) for C00235655

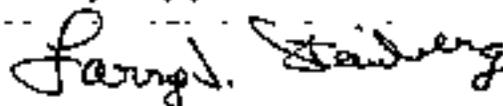

Dear Ms. Chacona:

In response to your letter of January 27, 2000, this is to confirm that any administrative expenses referenced in such letter have been adequately disclosed. Also, please refer to my attestation on the Report as originally filed, which states that "I certify that I have examined this Report and to the best of my knowledge and belief it is true, correct and complete."

As I have stated in previous correspondence, I can't understand why the FEC persists in sending this letter every few years to our committee. There is no regulation requiring this explanation every two years (although your letter implies that there is) and the Report in question lists \$43,473.91 (more than 23% of the Total Federal Receipts) which are clearly fund-raising or administrative expenses.

Please let me know if additional information is required.

Very truly yours,

Larry J. Steinberg
