Re: Friends for Harry Reid, Amended reports

Dear Ms. Dachik:

Enclosed, please find amended quarterly reports beginning with the Committee's 1999 Mid-Year Report and continuing to date. The amendments are necessary because 2 contributions have been identified that were inadvertently omitted from the original 1999 Mid-Year Report.

The 2003 July Quarterly report has been amended to reflect an adjustment to the total of un-itemized contributions for that period. In addition, a contribution received from the American Dental Association PAC via the Montana Nevada Victory Fund (a joint fundraising committee) was originally listed as $2000, but was actually for $3000. The 2003 July report has been amended accordingly.

Finally your letter dated November 4, 2003, notes that the memo entries for the joint fundraiser were not equal to or greater than the amount transferred from that committee. Amending the previous report and correcting the contribution from the American Dental Association PAC fixed this issue.

Thank you in advance,

Holly Giarraputo
Comptroller and Assistant Treasurer,
Friends for Harry Reid
