Re: Explanation of lack of administrative expenses in reports to the FEC.

Note: this is in response to FEC letter, Jan. 31, 2003, from Maureen Benitz, Campaign Finance Analyst, Reports Analysis Division.

The Los Angeles County Lincoln Clubs has no administrative expenses to report for the following reasons:

All services are contracted out to independent providers.

There are from time to time as many as nine volunteers available.

No office is maintained, therefore there are no rental, phone, or utility expenses.
