Reference: Mid-Year Report (1/1/93-6/30/93)

Dear Mr. Rolando:

This letter is prompted by the Commission's preliminary review of the report(s) referenced above. The review raised questions concerning certain information contained in the report(s). An itemization follows:

-You have received contributions from numerous entities, which appear to be unincorporated proprietorships or partnerships. Generally, these types of contributions are to be attributed to each person based on their percentage of ownership in the firm. Each person who has contributed in excess of $200 since January 1 should be identified by name, address, occupation, name of employer, amount of contribution, and aggregate total on Schedule A. 11 CFR §110.1(k) Please amend your report by providing the omitted information.

-Your report discloses an apparent contribution(s) from a corporation(s) (pertinent portion attached). You are advised that a contribution from a corporation is prohibited by the Act, unless made from a separate segregated fund established by the corporation. (2 U.S.C. §441b(a)) If you have received a corporate contribution(s), the Commission recommends that you refund the full amount to the donor(s) in accordance with 11 CFR §103.3(b). Alternatively, if you choose to transfer the funds to an account not used to influence federal elections, the Commission advises that you inform the contributor in writing and provide the contributor with the option of receiving a refund. You may wish to seek a written authorization (either before or after the transfer-out) from the donor for any transfer-out to protect the donor's interests.

Please inform the Commission immediately in writing and provide a photocopy of your check for the refund or

transfer-out. In the best interests of the committee, all refunds and transfers-out should be made within thirty (30) days of the treasurer's receipt of the contribution. See 11 CFR §103.3(b). Refunds and transfers-out should be disclosed on a supporting Schedule B for Line 28 or 22 of the report covering the period during which they are made.

If the contribution(s) in question was incompletely or incorrectly disclosed, you should amend your original report with the clarifying information.

Although the Commission may take further legal steps concerning the acceptance of a prohibited contribution, prompt action by your committee to refund or transfer-out the amount will be taken into consideration.

Any amendment or clarification should be filed with the Federal Election Commission. If you need assistance, please feel free to contact me on our toll-free number, (800) 424-9530. My local number is (202) 219-3580.

Sincerely,
