Reference: October Quarterly Report (7/1/05 – 9/30/05)

Dear Mr. Chambers:

This letter is prompted by the Commission's preliminary review of the report(s) referenced above. This notice requests information essential to full public disclosure of your federal election campaign finances. **An adequate response must be received at the Commission by the response date noted above.** An itemization of the information needed follows:

-Commission Regulations require the continuous reporting of all outstanding debts. This report indicates an omission of debts itemized on your previous report(s). (11 C.F.R. §§ 104.3(d) and 104.11) Please file an amendment to your report to disclose the current status of these omitted debts:

Verizon \$2,505.62

-Your report discloses a debt owed to James Andrew and Company with an outstanding beginning balance of \$24,137.04. The previous report filed by your committee discloses a closing balance of \$26,469.93. These amounts should be the same. Please correct this discrepancy and file an amendment to your report(s). (2 U.S.C. § 434(b)(8) and 11 C.F.R. § 104.11)

Please note you will not receive an additional notice from the Commission on this matter. Adequate responses received on or before this date will be taken into consideration. **Requests for extensions of time in which to respond will not be considered.** Failure to comply with the provisions of the Act may result in an

enforcement action against the committee. Any response submitted by your committee will be placed on the public record and will be considered by the Commission prior to taking enforcement action.

Electronic filers must file amendments (to include statements, designations and reports) in an electronic format and must submit an amended report in its entirety, rather than just those portions of the report that are being amended.
