RE: Response to RFAI's for: Amended October Quarterly Report
Amended 12 Day Pre-General Report
Amended 30 Day Post-General Report

Identification #C00034033

Dear Mr. Francis,

In response to your letters dated 5/19/99 for the above referenced reports, please find enclosed our amended October Quarterly, 12 Day Pre-General and 30-Day Post General reports. As your letter correctly identified, these were merely errors in reporting. Our reports erroneously reported several allocable disbursements as coordinated expenditures on Schedule F. These are now correctly disclosed as allocable administrative expenditures on Schedule H4. These disbursements were for "issue advocacy" which did not expressly advocate the election or defeat of a clearly identified candidate, in accordance with Commission regulations.

Our reports also showed that some "transfers-in" from our non-federal account appeared to exceed the permissible amount indicated by our ballot allocation ratio. We have now corrected this math error and the amount no longer exceeds the non-federal share of the joint disbursements.

Your letter pointed out that contributions from individuals exceeding $200 should be disclosed. In the past we have itemized everything over $100. We will submit our reports in the order requested by the Commission from now on.

Your letters also stated that we did not have approval to use computer produced formats of Schedule F forms. However, we received permission six months ago as we have for the past four years. Please check your records. If you would like me to submit another sample format requesting approval, I will be glad to do so.

Thank you for pointing out the inconsistencies to us. Everything is now in order. Should you have any further questions, please feel free to call me at any time.

Sincerely,

Erin K. Novak
