Dear Mr. Cohen:

In response to your letter of March 8, 1995, addressed to Stan Buckaby, Treasurer of the National Republican Senatorial Committee, please find attached supporting documentation for the three items in your letter:

1) Letter from the Wyoming Republican Party authorizing the NRSC to spend $58,600 on their behalf for the Republican U.S. Senate nominee. This authorization increased our coordinated limit in Wyoming to $117,200, which we did not exceed.

   Letter from the Montana Republican Party authorizing the NRSC to spend $58,600 on their behalf for the Republican U.S. Senate nominee. This authorization increased our coordinated limit in Montana to $117,200, which we did not exceed.

2) Documentation from Ralph W. Hooper earmarking his 10/27/94 donation of $10,000 to the Senatorial Trust, and copies of pages 27-40 of Schedule B Itemized Expenditures reporting to the F.E.C. the distribution of that donation.

3) As Allen Haywood advised you, the NRSC has amended Schedule B and Schedule H4 of the report to clarify the "professional service" description.

We trust this documentation fully answers your questions.

Sincerely,

Maureen Goodyear
Comptroller
