Re: April Monthly Report (3/01/00 – 3/31/00)

Dear Mr. Ciaraldi

In response to your letter dated October 11, 2000. I am amending the Schedule H2 to correct event T3 and G3 to " new" for the April 2000 Monthly Report. All the events listed on this Schedule start on March 1 and end on March 31, 2000. I am also amending the detailed summary page to move $1,260.00 from line 28b to 28a.

The disbursements with the description consulting are just that. The RNC uses various consultants, political, finance, communication, etc. I am amending the proper pages to correct the descriptions.

In reference to the transfers we have listed on schedule A line 12A from the NRCC. We treat all receipts from the NRCC as transfers. If they are listing them as something other than transfers they will need to amend their report.

On our Schedule H2 and H4 we will be disclosing administrative and fundraising activities sometimes as 100% federal and 100% nonfederal along with shared active. In preparing for a fundraising event at issue, the RNC anticipates that funds would be deposited into both its federal and non-federal accounts, treating the fund-raiser as a joint federal/nonfederal event. As a result, it estimates the federal as well as the nonfederal share of cost. It is only after the final tally of receipts at the end of the month that it becomes apparent that the proceeds are either 100% federal or 100% nonfederal. As for the administrative expenses that are listed as 100% nonfederal, these are only expenses such as phone costs, delivery and payroll costs.

If you need any additional information or further clarification, please feel free to contact me at 202-863-8755.

Sincerely,

Pat Huyck
Director of Accounting
