February Monthly through September Monthly Reports.
Periods of 1/1/99-8/31/99

Dear Mr. Davis:

With reference to the above reports, please be advised that the Democratic Senatorial Campaign Committee exercises "best efforts" in attempting to obtain contributor information such as full name, mailing address, occupation and employer. All Committee solicitations and invitations request the required information (example enclosed). Once a month, letters are sent to donors requesting missing information. As information is received, the donor database is updated and addendum reports are sent with our next FEC report. The following month, the Committee sends an additional request for this missing information. Examples of our follow-up letter and addendum are enclosed.

During the 1997-1998 election cycle there was non-federal activity from certain accounts however, these accounts are not included in the 1999 reports as the accounts were closed during 1998. The Non-federal Corporate II account was closed at 9/30/98. The Non-federal Individual Line of Credit account was closed 8/3/98. The Non-federal Money Market account was closed by 9/30/98. The Non-federal North Carolina account was closed by 10/31/98.

A receipt of $25,846.80 from Victory in New York, a joint fundraising committee affiliated with our Committee, was the final distribution on the joint fundraising committee's termination report. No memo entry was reported on the DSCC's April Monthly report as all contributions were appropriately reported as memo entries on prior months' reports.

Contributions or gifts to the DSCC are not deductible for federal income tax purposes.
Paid for by the Democratic Senatorial Campaign Committee.

The May monthly report did have a schedule for the Non-federal PAC account. This single page must have been missing. Enclosed please find this page.

A receipt of $23,250.46 from California Victory '98, a joint fundraising committee affiliated with our Committee, was the final distribution on the joint fundraising committee's termination report. No memo entry was reported on DSCC's June Monthly report as all contributions were appropriately reported as memo entries on prior months' reports.

The June Monthly report disclosed Non-federal Mixed receipts on schedules labeled B. Enclosed please find the same itemized receipts schedules now labeled A.

If you require further information or clarification, please contact me.

Sincerely,

James P. Fox
Treasurer

The DSCC is a national party committee formed by the Democratic members of the U.S. Senate to help to raise funds to provide services for Democratic U.S. Senate incumbents and candidates throughout the country. The DSCC can accept donations from individuals up to $20,000 per calendar year (not to exceed the total $25,000 yearly federal limit for an individual) and from PACs up to $15,000 per calendar year.

Under federal law, the DSCC may contribute up to $17,500 per election cycle to candidates for the U.S. Senate. In addition, the DSCC may make expenditures in connection with the general election campaigns of Democratic nominees for the U.S. Senate. The amount the DSCC may spend on behalf of a nominee is based on the voting age population of the nominee's home state. The DSCC raises funds in a variety of ways—through the DSCC donor programs Majority in the 21st Century, the Majority Trust, Leadership Circle, Roundtable and through special events and national fundraising activities.

The DSCC maintains a record (a "Tally") of how much money each candidate helps raise for the Committee. The DSCC does not accept contributions earmarked for a particular candidate. Contributions called for a particular candidate will be spent for DSCC activities and programs as the Committee determines within its sole discretion. Corporate contributions are permissible and will be used in conjunction with non-federal activities, including state and local elections.

All federal contributions to this event will be allied equally among the women nominees unless otherwise indicated by the contributor.

Federal law requires political committees to report the name, mailing address, occupation and name of employer for each individual whose contributions aggregate in excess of $200 in a calendar year.
