March Monthly Report (2/1/04 – 2/29/04)

Dear Ms. Jones,

With respect to your letter of April 21 regarding the referenced report, this is to confirm that, as required, we filed an amended report electronically on April 30, 2004 to provide the missing information. This omission of the required details of the independent expenditure on the monthly report occurred only because the Aristotle software we use was not installed to include the module that includes the information. Since we had filed a 24 hour report disclosing the details this expenditure and since this type of disbursement has been rare for us, we did not catch this omission.

We have corrected the software so that should this type of expenditure occur in the future we will include all the details in the monthly report.

Yours truly,

Carol Beatty
Treasurer
