Dear Mr. Wilson:

On March 19, 1997 you were notified that a review of the above-referenced report(s) raised questions as to specific contributions and/or expenditures, and the reporting of certain information required by the Federal Election Campaign Act.

Your April 7, 1997 response is incomplete because you have not provided all the requested information. For this response to be considered adequate, the following information is still required.

-In order to meet "best efforts" regarding contributor information, you still need to clarify if amendments will be filed to disclose previously unreported information. If a committee receives contributor information after the contributions have been reported, it must submit an amended memo Schedule A listing all the contributions for which additional information was received; or, file amendments to the previous reports on which the contributions were originally disclosed.

-Please clarify if Jim Drake Realty is a partnership. If this entity is an unincorporated proprietorship or partnership, the contributions are usually attributed to each person based on their percentage of ownership. Each person who has contributed in excess of $200 since January 1 should be identified by name, address, occupation, name of employer, amount of contribution, and aggregate total on Schedule A. 11 CFR 110.1(k) Please amend your report by providing the omitted information.
