RE: Amended 12 Day Pre-General Report (10/1/04-10/13/04)

Dear Ms. Adams;

This correspondence is in response to your "Request For Additional Information" ("RFAI"), resulting from the Republican National Committee's ("RNC") "Amended 12 Day Pre-General Report (10/1/04-10/13/04)".

The totals listed on Lines 28(a) and 28(c) have been amended and are accurate. At the time of your review, we were in the process of amending information that impacted 7 consecutive reports for the year 2004. During the time needed to process these amendments, changes to the totals did not always tie-in with subsequent reports. Upon completion of the entire stream of amendments, the totals have been corrected.

Regarding Schedule B, the terms "production costs" and "production services" have been corrected to more clearly describe the purpose of the disbursement and the report has been amended.

Regarding Schedule B for Line 23, we previously reported that the description correctly identified the election as Primary, and the election code had been corrected to "P2004". This determination was an error. Upon review, the accounting department resolved this error. A data processing error was the original cause of the designation which never should have been indicated as "Primary". The entries have been corrected to properly indicate "General" election and the report has been amended.

I trust this response answers your inquiry. However, if you need further clarification please do not hesitate to contact me.

Sincerely,
Mark Meeks
Director of Accounting
