RE: June 2002 Monthly Report (05/01/02-05/31/02)

Dear Mr. Gibson:

This correspondence is in response to your second "Request For Additional Information" ("RFAI"), resulting from the Republican National Committee's ("RNC") "June Monthly Report (05/01/02-05/31/02)" received 7/10/2002, and the response we provided April 30, 2003.

Regarding the completeness of our response, please accept this correction and explanation of why our response appeared to be incomplete. There were two issues involving Schedule H2, and we mistakenly thought that both questions were caused by the mislabeling of event codes that we corrected in our amendment. The way we read the inquiry, the mismatching labels for the reported events seemed to be the problem. In fact, we now understand that one of your questions was why we had included on Schedule H2 certain events for which there were no corerresponding disbursements. We listed several events that had no disbursements because we thought Schedule H3 records of transfers pertaining to those events made the reporting necessary. Now that we understand they are not necessary, we have removed those event records from Schedule H2 and amended the report.

I trust this response answers your inquiry. However, if you need further clarification please do not hesitate to contact me.

Sincerely,

Pat Huyck

Director of Accounting
