Re: RFIA dated 4/22/09

Mr. Bennett,

In additional to the amendments filed today on behalf of Illinois Victory (FEC ID#C00448795), this letter addresses the issues raised in your letters dated 4/22/09. As the letter reference several reports, the issues were address as a group and will be responded to accordingly.

Amended Year End Report:

Regarding the entry on Schedule B, Line 21(b) for \$6,000 with the description "Direct Mail", and the entry for \$5,396.25 with the description of "Printing", we have confirmed that those mailings contained a generic message that does not meet the definition for FEA. The description has been amended to clarify this point.

Administrative Expenses:

The commission was correct that there are limited administrative expenses reported in 12-day Pre-General, the 30-day Post-General and the 2008 Year-End. The committee has relatively few administrative expenses in the period in-between elections. We have reported all the administrative expenses incurred and disbursements made.

Thank you for your assistance and please contact us if you need additional information.

Respectfully,

Illinois Victory
