Dear Mr. Andre:

After receiving your letter of January 29, 1997, regarding the 30 Day Post-General Election Report of the Sheet Metal and Air Conditioning Contractors' Political Action Committee, I reviewed the itemized entries on Schedule A. The new computer software we are using to produce our reports does not, for some inexplicable reason, include occupation and therefore the occupation has to be hand-typed. I did catch that on our year-end report but I did not notice it had not been done on this one.

I have enclosed an amended Report with a copy of Schedule A which includes the occupation of contributors.

I regret the omission of the occupations. If you need more information, please do not hesitate to contact me at 202/547-8202.

Sincerely,

Dana Thompson
