Dear Ms. Jameson,

Upon review of the questions raised by the Commission in your letter of May 4, 1994 I have determined that your assessment of the events referenced is, in fact, correct.

According I am proceeding to prepare an amendment to the original report to correct the problem as well as the related difficulties the problem caused. To this end we are purchasing software to make this, and subsequent filings easier to prepare on a timely basis. In any event you will have all the necessary documentation by the end of this month.
