This is in response to your letter regarding the Service Employees International Union's Committee on Political Education ("COPE") 1999 year end report. Schedule B of that report shows two contributions of $5,000 each to the National Leadership PAC. This was an error.

SEIU will be seeking a return of the second contribution from the PAC. When the refund is received, it will be reported to the FEC accordingly.

If you have any further questions regarding these matters, please feel free to contact me.

Sincerely,

Orrin Baird
Associate General Counsel
