Dear Mr. Yap:

Reference: 30 Day Post-General Report (10/15/98 to 11/23/98)

In reference to the 48 hour notice disclosing a "last minute" contribution from Dr. Mohammed K. Khan on 10/15/98 which did not appear on Schedule A of this report. There is no Mohammed K. Khan the contributor is Mohammed W. Khan and this was reported on the 12 Day Pre-General Election in two payments of $900.00 and $100.00 which total $1,000.00. The difference in the addresses was as a result of the address printed on the check was different from that recorded on the FECFile database This amount has been correctly reported.

I trust that this information is to your satisfaction.

Sincerely,

Vera G. Davis
