RE: Nevada Republican State Central Committee
FEC ID# C00082925
October Monthly (9/1/4 -9/30/4)

Dear Ms. Adams:

We are in receipt of your letter dated December 17, 2004 regarding the aforementioned report.

On the Detailed Summary page, the Column B totals have now been corrected. We have discovered a computer error when we revise our Fundraising ratios which change the year to date totals upon that revised percentage.

In regard to occupation and employer information requested, a letter is sent to those donors whose contributions exceed $200, but did not provide us with their employer and occupation on our initial contribution solicitation which sites the FEC regulation for the requested information. The committee's policy is to send a follow-up letter within thirty days of the original contribution to request this information with a pre-addressed envelope enclosed for the return of such information. All such information received is reported accordingly.

Itemized disbursements for "volunteer exempt collaterals" have been changed to campaign materials.

Schedule B Line 21(b) for "volunteer exempt mailing" has been moved to Line 30.
All of these disbursements meet the definition of exempt party activities as these were volunteer driven mail projects.

Schedule A Line 12 regarding transfers from The National Republican Congressional Committee, none of these funds were used for any federal election activity or any candidate specific activities. Disbursements on Schedule B and Schedule H6 were made with permissible funds per FEC regulations. Our committee keeps separate bank accounts for monies received that are FEA eligible funds and transferred funds and disbursements from those accounts are made according to the permissible nature of the
expenditure.

Schedule B and H6 disbursements for "voter registration/generic" have been corrected.

Schedule B Line 30(b) payments for Absentee Ballot/phones, this was generic and a noncandidate specific activity.

Schedule H4 our allocated activity year to date total for the Voter Drive category are corrected. Our April monthly report had these classified as Admin. We have amended that month's report and have reviewed our year to date totals for both the Admin and Voter drive category from that report forward; all the subsequent months that have been previously filed still reflect the correct year to date totals for both Admin and Voter Drive.

Schedule H4 for disbursements to Stephanie Miller and Rihga Royal Hotel are now checked for the appropriate allocated activity.

At this time our committee believes to be in compliance.
