This report is in response to the Commission's letter dated August 25th. requesting additional information for our March Monthly Report. RE: Schedule H4 disbursements for Voter Identification. After careful review of the definition of Voter Identification and other federal election activities, we have determined that this activity does not meet any of those definitions. Therefore, it was as proper disbursement.
Please note that the electronic filing format provide by the FEC for Schedule L does not provide for totals on Line 11, Column A. Until and unless the FEC amends the electronic form for Schedule L, no cash on hand figures for the end of this period can be provided for Column A, Schedule L.
The name of the account that funds for Levin contributions were deposited into for this reporting period is Democratic party of Geroga Non-Federal account. The disbursement for Levin Funds, as disclosed on this report were made from this account. At the time of this expenditure there were more than enough funds to cover the disbursement, and the committee can demonstrate, through reasonable accounting methods, that the funds wer avvilable. The committee has subsequently been sgregating all Levin designated funds into a separate Non-Federal Levin account.
