Dear Ms. Wall:

I am writing in response to several letters that you have sent recently concerning problems with 1996 reports filed on behalf of the Kansas Republican Party (ID No.: C00004606). When I came on board as the new Executive Director of the Kansas Republican Party in February, one of the first tasks assigned to me by the state chairman was to get our 1996 FEC reports in order. As I began to investigate the problems outlined in your letters, I quickly came to the conclusion that most, if not all of the errors, were due to incompetence on the part of staff here in the office. I apologize for any extra work these errors may have caused you. The staff responsible for the errors have since been let go, we now have a new state treasurer (name and address below) and I have personally assumed responsibility for cleaning up and refiling amended reports.

I have literally started over beginning January 1, 1996 and am examining each and every financial transaction that occurred to ensure that all of our records are accurate. As I proceed through this process, I will file amended reports. I have worked my way back to the last report of 1995 (which was prepared by a previous comptroller) and am very confident that it was filed accurately. From that report, I have worked my way through the first quarter of 1996 and am enclosing an accurate amended report for that period. I am nearly finished going over records for the second quarter of 1996 and will file a corrected report for that period within the next week. The rest of the reports for 1996 should follow within the next three to four weeks.

Again, I apologize for the lack of professionalism and accuracy reflected in our 1996 FEC Reports and assure you that from here on out, I will personally see to it that accurate reports are filed. If you have any questions, please call. I am enclosing my card for your reference.

Sincerely,

Kristian D. Van Meteren
Executive Director
