RE: Senate Victory Fund Mid-Year Report (1/1/01-6/30/01)
Year-End Report (7/1/01-12/31/01)
April Quarterly Report (1/1/02-3/31/02)

Greetings:

This letter is in response to your recent inquiry concerning the above referenced reports. As you can see from reviewing the FEC reports for this committee, we have very limited activities and as a result very limited administrative expenses. My firm, Nail McKinney P.A., provides all of the administrative and accounting services for the committee for a monthly fee. All of the services were paid for by the committee and reported on line 21B of the report. This organization is not connected to any other organization and pays all of its own operating and administrative expenses as required by the statute. There were no volunteer activities connected with the PAC. All services were paid for at Fair Market Rates. We trust that this information is sufficient to answer your inquiry.

Sincerely,

John M. Robinson
