Re: Statement of Organization
Identification Number: C00280107

Dear Ms. Manzano:

This is in response to your letter date stamped March 3, 1993 in which you question our classification of the newly formed political action committee as a separate segregated fund. You cite the Code of Federal Regulations and the U.S. Code to state that the connected organization must be identified and the name of the segregated fund must include the name of the connected organization. You asked that we file an amended Statement of Organization with these requirements in mind.

I would suggest to you that a closer examination of our Statement of Organization will show that we have complied with these requirements. I am sure that you will recognize that the initials P.A. following our name stands for "Professional Association", a legal name for a corporation of physicians. Therefore if you look at item 1(a) on our statement of organization you will note that:

1. We qualify as a separate segregated fund because we are a corporation;

2. The connected organization is identified; and

3. The name of the separate segregated fund includes the name of the connected organization.

I trust this information will be helpful. If you have any further questions, you may contact me directly.

Sincerely,
