Reference: October Quarterly Report (7/01/2004 to 9/30/2004) for the Calumet Political Action Committee (Calumet PAC) (ID # C00386300)

To Whom It May Concern:

This letter is in response to the request for information pertaining to the aforementioned report filed by the Calumet Political Action Committee (Calumet PAC). On behalf of the committee, I thank you for your guidance and patience during this process.

After careful review of the letter issued by the Federal Election Commission (FEC), the issue regarding the rental of operating space for the Calumet PAC is as follows: a fee for rental space was issued in a lump disbursement and declared in a previous report to the FEC.

The FEC s letter to the Calumet PAC also addressed its status as a multi-candidate committee as determined by the number of contributions to federal candidates. After reviewing records pertaining to these contributions, the Calumet PAC appears to fall beneath this threshold. Once the committee reaches the designated limit, the proper paperwork will be filed with the FEC.

Please do not hesitate to contact the Calumet PAC in the event further changes must be made so that the report is compliant with the provisions of the Federal Election Campaign Act. This office may be reached via telephone at (219) 942- 4895. Again, I thank you for your assistance with this matter.

Sincerely,

Mr. Terrence Bronowski
Treasurer
