Reference: Amended April 1996 Quarterly Report

Dear Monica:

This letter is in response to your letter dated June 18, 1997 (enclosed for your reference).

The above referenced report listed conduits for earmarked contributions that were not deposited in our account as memo entries, but were reported on computer generated forms that combined Schedule A and Schedule B. These forms are duplicates of those forms used by EMILY's List and Wish List (two political committees that are similar to our organization) which I understand have been approved by the Commission.

However, per your recommendation, I have enclosed a request for the Commission to approve this form. Unless the Commission disapproves the form, we will consider the above referenced report to be our final submission.

Please feel free to call me if you have any questions. I can be reached at the office on (703) 683-5558.

Sincerely,

Jennifer Bingham
Executive Director
and Assistant Treasurer
