RE: USAA Group PAC - Acct# C00164145
June 1995 - December 1995

96030463822

Mr. Dodson,

Due to USAA's large employee population our itemized contributions are reflected on a computer generated Schedule A which pulls data from payroll deduction information files. This generated format was approved by the FEC and is used in the monthly filings.

During the last seven (7) months of 1995 USAA had one active participant who contributed in excess of $100.00 per bi-weekly pay period. Due to programming errors the Schedule A report field which recorded the contribution amount was not programmed to record amounts greater than $99.99 per pay period. As a result, the program truncated this particular bi-weekly contribution and incorrectly recorded $12.12 instead of $112.12.

The result of this oversight is that the June through December, 1995, FEC reports contain an understatement on line 11(a)(i) and an overstatement on line 11(a)(ii) with the net effect on total contributions being $0.00. Depending on the number of bi-weekly pay periods in a specific reporting period the misstatement is either $200.00 or $300.00.

Attached are sets of corrected reports for each month including (1) Report of Receipts and Disbursements, (2) adjusted Detailed Summary Page and (3) Schedule A for this particular participant.

I spoke with Donald Averett in your office while you were out and was instructed to send the above to you along with a letter of explanation. I hope that this is sufficient for your records.

Thank you for your help and please contact me at 210-498-0730 if you have any questions or need additional information.
