UNITED STATES SENATOR FOR MISSISSIPPI

SECRETARY OF THE SENATE
00 AUG 11 PM 3:11

August 11, 2000

Mr. Matthew S. Kern
Reports Analyst
Federal Election Commission
999 E Street, NW
Washington, DC 20463

Dear Mr. Kern;

Trent Lott for Mississippi (FEC ID# C00219220) received your letter dated July 21, 2000 on July 25, 2000 concerning our April 2000 quarterly report. I appreciate your telephone assistance in preparing our response to this letter.

With respect to the contributions that were reported on our April quarterly report but not with 48-hour notices, these two contributions from Celine Halo and Helen Young were received by our direct mail vendor but were not reported to us until after the primary had occurred. Every effort was made to report all $1,000 and above donations in a timely fashion. However, after receiving your letter, we have set up new procedures with our direct mail vendor to ensure all contributions are reported in a timely fashion, particularly with respect to the pre-general election 48-hour notice reporting period. We will take every step possible to ensure this does not happen in the future.

In response to your questions regarding excessive contributions to our committee, I have included responses to each individual case you included in your letter.

William Roberts Wilson, Jr., was originally reported on a 48 hour notice with a reattribution requested note on that report. This reattribution requested note was inadvertently omitted from the April quarterly report. We have not received a response from Mr. Wilson and therefore refunded $1,000.00 to him on July 27, 2000. A copy of the 48 hour notice and a copy of our refund check are included.

The following excessive contributions were refunded on July 15, 2000 and were noted on our July quarterly report. They include O. John Anderson, Celine Halo, Berhnard Weickert and Helen Young. For your convenience, I have included copies of the Schedule A pages from our July quarterly report as originally filed noting these refunds and copies of the refund checks.

The other excessive contribution received by our committee from Frank Walk was refunded on July 27, 2000. A copy of the refund check is included.

The committee, at your suggestion, has also taken this opportunity to review all contributions received. We found two other contributions that required action. The contributions are addressed separately below.

A contribution from Edward Markle was reported in our pre-primary report. A redesignation was sought for this contribution. However, the committee has not heard from Mr. Markle and therefore refunded $1,000.00 to him on August 1, 2000. A copy of the Schedule A page originally reporting this contribution and a copy of the refund check are included.

On a similar note, Dudley Hughes contributed $2,000.00 to the committee on March 10, 2000. A copy of the 48-hour notice detailing this contribution is included. At the time of the contribution, a reattribution request was sent to Mr. Hughes. We have not heard from Mr. Hughes and therefore, refunded $1,000.00 to him on August 1, 2000. A copy of the refund check is included.

The committee has also reviewed our procedures for accepting contributions and has made appropriate changes to ensure that potentially excessive contributions are handled appropriately in the future.

Thank you again for your assistance and if you have any questions regarding this response, please contact me at (703) 548 – 0780.

Sincerely,

Dirk Smith
