Identification Number: C00159319

Reference: October Quarterly Report (7/1/02-9-30-02)

Dear Mr. Gibson:

In response to your letter of February 6, 2003, concerning our October Quarterly report and the question of whether payments from the Omega List Company are the "usual and normal charge".

The moneys received from the Omega List Company are indeed, the usual and normal charge. They handle the rental of our list on the open market and the moneys we receive from them are list rental income which is strictly a business proposition and in no way constitutes a contribution.

Recently, I had a conversation with Antoinette Kitchen regarding the best way to report these transactions to avoid this exchange of letters each time. She made several constructive suggestions to me which I intend to adopt in future reporting.

I will be glad to cooperate in any way to insure that our reporting done in a clear and concise manner.

Sincerely,

Randy Goodwin
