In response to your letter dated March 16, 2005 regarding the Year End Report (11/23/04-12/31/04), please note that the Committee will file an amended report to include the missing information on Schedule E.

Also, you have asked for clarification for certian purposes listed for itemized disbursements on Schedule B supporting Line 21(b). Catering Costs, Mailing Services, Phone Banks, Postage and Printing are all related to general activites for the benefit of the Committee and not for any specific candidate. If any disbursements are made on behalf of a candidate they are reported on the correct schedule supporting the correct line number. The Committee tries to use purpose descriptions that are clear but at the same time acceptable to the Commission. While it is possible for the Committee to use one of the descriptions for direct candidate support, it is not limited to that purpose. We will continue to work to provide clear and accurate purposes for all disbursements.

Please contact me if you have any questions or concerns.
