RE: Ohio Republican State Central & Executive Committee
July Quarterly 2000 (04/01/00-06/30/00)

Dear Mr. Maxwell,

I am currently in the process of amending all of our 2000 Federal Campaign Finance Reports due to problems with our contributor database software, Arisistotle Campaign Manager.

Please be advised that I am not overlooking current audit letters. I have quite recently had major neck surgery and have been unable to work. I have been under strict doctor's orders and am physically unable to look at any paperwork for an extended period of time. Additionally since I am in the process of revising all 2000 reports and these revisions will impact the reports currently being audited I am attempting to process in order to avoid confusion for either the public domain or the Federal Election Commission.

Should you have any further questions or concerns, please don't hesitate to contact me at the number listed.

Sincerely,

Terri Matthews
Controller
