Dear Mr. Holly:

Enclosed you will find the additional information you requested. On Februar 19th this information was sent via overnight U.S. mail. For some reason Washington, DC and the zip code was crossed out by U.S. mail personnel. I think this was a mistake in communication when the package was dropped off at the window. In any case the package came back to us and I have put it in a new envelop with the old envelop and the U.S. mail stamps and labeling.

Sincerely,

Bart J. Ward
