Dear Ms. Hodgson,

In response to your recent inquiries we have the following responses.

Your first inquiry was in reference to our Amended Mid-Year Report (4-1-03-6-30-03). You inquired regarding our administrative expenses. We currently do not have an office or salaried. Our expenses consist of an outside source to complete our reporting and miscellaneous office supplies to complete the reporting. Threrefore, all of our expenses have been reported.

The second inquiry was again in reference to our Amended Mid-Year Report (4-1-03-6-30-03). You inquired about receipts and disbursements that had not previously been reported. As stated before we had severe software complications and in reviewing our records we learned that receipts and disbursements were lost in our software transfer. Upon discovery of this error we filed the above stated ammendment.

If you have any further questions please feel free to contact me.

Sincerely,

Susie Landow, Treasurer
