RE: NEA Fund for Children & Public Education
Identification Number: C00003251
Amended March Monthly Report (2/1/01-2/28/01), received 4/9/01
April Monthly Report (3/1/01-3/31/01)

Dear Mr. Walker:

This letter is in response to your letters dated December 26, 2001, regarding the above-mentioned FEC Reports, and in particular, the amount of unitemized contributions listed on line 11(a)(ii) of each report. According to our records, the amounts on line 11(a)(ii) did not include any receipts from a single source greater than $200.00 in the calendar year. The NEA Fund for Children and Public Education is a small donor PAC; the average annual contribution it receives from NEA's 2.6 million members is less than $25.00. The relatively small number of individuals whose contributions had exceeded $200.00 in the aggregate for the calendar year were identified in Schedule A of each report, and the totals of their contributions for the months in question were reported on line 11(a)(i) of each report. (See attached).

If you have any further questions, please feel to contact me at (202) 822-7406.

Sincerely,
VJ Krishna
Assistant Treasurer
