RE: Year End Report (11/26/96 - 12/31/96)

Dear Mr. Dodson,

In response the Commission's letter dated April 9, 1997, we have reviewed the report in question and several reports preceding the year end report and have made the necessary corrections.

Please find enclosed an amended Year End Report which accounts for the discrepancy in the starting balance. We have also amended line 10 of our summary page to reflect the debts and obligations owed by our committee to total $71,185.00 as reported on Schedule D.

In response to submitting reports in computer produced formats, please find enclosed a copy of the letter sent to the FEC requesting expedited approval to submit computerized forms. Although we have not yet received formal notification of such approval, the May 1997 issue of the FEC Record lists the software package we use as one of the few firms that have met your requirements for electronic filing.

Additional errors were found during our review and the amended report now accurately reflects all activity during the period. If you have any further questions or comments regarding this amended report, please contact our office at (504) 769-5056.

Sincerely,

Carrie Fager
