IDENTIFICATION NUMBER: C00008227

REFERENCE: AMENDED JULY MONTHLY REPORT (06/01/2014 - 06/30/2014),
RECEIVED 12/16/2014

Dear Treasurer:

This letter is prompted by the Commission's preliminary review of the report referenced above. This notice requests information essential to full public disclosure of your federal election campaign finances. **Failure to adequately respond by the response date noted above could result in an audit or enforcement action.** Additional information is needed for the following **11** item(s):

1. Schedule A of your report (see attached) discloses one or more contributions which appear to exceed the limits set forth in the Act. Please be advised that 52 U.S.C. §30116(f) (formerly 2 U.S.C. §441a(f)) and 11 CFR §110.1(c) prohibit a state, district or local party committee (combined) from receiving any contribution from a person or non-multicandidate political committee in excess of \$10,000 per calendar year.

If any apparently excessive contribution in question was incompletely or incorrectly disclosed, you must amend your original report with the clarifying information.

If any contribution you received exceeds the limits, you may have to refund the excessive amount. The funds can be retained if within 60 days of receipt, (1) the excessive amount was properly reattributed to another person, such as a joint account holder, by obtaining signed written authorizations from each person making the contribution pursuant to 11 CFR 110.1(k)(3), and (2) the treasurer informs the person making the contribution that he or she may request the return of the excessive portion of the contribution if it is not intended to be a joint contribution. Any request from a donor for a refund must be honored.

Alternatively, the funds can be retained if within 60 days of receipt you (1)

transferred the excessive amount to an account not used to influence federal elections, and (2) provided written notice to the person making the contribution of the option of receiving a refund. Any request from a donor for a refund must be honored.

If the foregoing conditions for reattributions or transfers to a non-federal account were not met within 60 days of receipt, the excessive amount must be refunded.

Please inform the Commission of your corrective action promptly in writing and provide a photocopy of your check for any transfer-out or refund. In addition, any reattributions should be reported as memo entries on Schedule A of the report covering the period during which the authorization for the reattribution is received. Any transfers-out or refunds should be disclosed on Schedule B supporting Line 22 or 28 of the report during which the transaction was made.

Although the Commission may take further legal action regarding the acceptance of an excessive contribution(s), prompt action by your committee to seek reattribution, transfer-out or refund the excessive amount will be taken into consideration.

2. The Commission notes the transfers-out on Schedule B to "Arizona Republican Party - Levin" and "Arizona Republican Party-Non Federal" for apparent excessive contributions received. Please amend your report to clarify which excessive contribution(s) the transfers-out relate to.

Although the Commission may take further legal action regarding the excessive contributions received, your prompt action in transferring out this amount will be taken into consideration.

3. Please amend your report by providing the address and purpose for each disbursement itemized on Schedules B and H4 supporting Lines 21(b) and 21(a). (11 CFR §§104.3(a)(4) and 104.10(4))

4. Itemized disbursements must include a brief statement or description of why the disbursements were made. Please amend Schedule H4 to clarify the following descriptions: "Professional Services," "Voter Registration," and "Voter Registration Consulting." (11 CFR §§104.3(b)(3) and 104.10(a)(4))

published in the Federal Register can be found at: http://www.fec.gov/law/policy/purposeofdisbursement/inadequate_purpose_list_3507.pdf

5. Schedule H4 of your report discloses payments for "Voter Registration" and "Voter Registration Consulting." 11 CFR §100.24(b) defines as Federal Election Activity, voter registration activity during the period beginning on the date that is 120 calendar days before the date that a regularly scheduled Federal election is held, and ending on the date of the election. Furthermore, the costs for this type of Federal Election Activity must either be paid with federal funds or can be allocated between federal and Levin funds as long as the activity conducted does not refer to a clearly identified candidate for Federal office. It appears that you have allocated these costs between federal and non-federal funds. Any reimbursement from your committee's non-federal account for Federal Election Activity costs is not permissible and must be returned. (11 CFR §§300.32 and 300.33)

Please inform the Commission of your corrective action immediately or provide clarifying information regarding this activity. Although the Commission may take further legal action regarding this apparent prohibited activity, your prompt action will be taken into consideration.

6. Your Amended May Monthly (4/1/14-4/30/14), received 6/19/14, June Monthly (5/1/14-5/31/14), and Amended July Monthly (6/1/14-6/30/14), received 12/16/14, Reports combined do not disclose any payments for salary or wages on Schedule B supporting Line 30(b) of the Detailed Summary Page. 11 CFR §100.24 defines as Federal Election Activity, services provided by an employee of a State, district or local party committee who spends more than 25 percent of their time during that month on activities in connection with a Federal election. You are advised that payments for salaries and wages for employees who spend more than 25 percent of their compensated time in a given month on Federal Election Activity or activities in connection with a Federal election must be made with Federal funds only. Please provide clarification regarding the lack of payments for salary and wages disclosed by your committee.

7. Schedule H4 supporting Line 21(a) of your report discloses payments for "Payroll." Please be advised that pursuant to 11 CFR §300.33(c)(2), salaries and wages for employees who spend more than 25% of their compensated time in a given month on Federal Election Activity (FEA) or activities in connection with a Federal election must not be allocated between or among federal and

non-federal accounts. Rather, only federal funds may be used. Further, the Commission concluded in Advisory Opinion 2003-11 that amounts spent for employee-specific "fringe benefits," consisting of health insurance, disability insurance, life insurance, retirement benefits and payroll taxes, fall into the category of compensated time.

Please clarify whether this activity is for employees who spent 25% or less of their time during the month(s) referenced above on FEA or activities in connection with a Federal election. If this is not the case, any reimbursement from your committee's non-federal account for this payment is not permissible and must be returned. Although the Commission may take further legal action regarding any improper allocation activity, your prompt action will be taken into consideration.

8. Your calculations for Line 11 on the Schedule L Aggregation Page for the "AZ FEDERAL" account appear to be incorrect. Cash on hand at the close of the current reporting period (Column A) should always equal the closing calendar year to date (Column B) cash on hand amount. Please amend your report to disclose the corrected total(s). (52 U.S.C. §30104(b) and (e) (formerly 2 U.S.C. §434(b) and (e)))

9. Line 7, Column B of the Schedule L Aggregation Page for the "AZ FEDERAL" account represents the total cash on hand as of January 1, 2014. This figure should be the same on all the reports covering the calendar year. Please amend your report to clarify the change made in Line 7, Column B. (52 U.S.C. §30104(b) and (e) (formerly 2 U.S.C. §434(b) and (e)))

10. The total listed on Line 4(d), Column B of the Schedule L Aggregation Page for the "AZ FEDERAL" account appears to be incorrect. Please be advised that you should add the "Column B Year to Date" total from your previous report to the current "Column A Total This Period" figure to derive the correct Column B total. Please amend your report and any subsequent reports that may be affected by this correction. (52 U.S.C. §30104(b) and (e) (formerly 2 U.S.C. §434(b) and (e)))

11. Schedule L discloses "AZ FEDERAL" as the name of account. Please note that 11 CFR §300.33(d) permits a committee to pay the entire amount of an allocable expense from its federal account and transfer from its non-federal or Levin account to its federal account solely to cover the Levin share of that allocable expense. As the "AZ FEDERAL" account is not a non-federal or Levin account of your committee, such a transfer(s) is prohibited.

If the transfer(s) in question was incompletely or incorrectly disclosed, you should amend your original report with clarifying information. If you have received a prohibited transfer(s), you must transfer-out the impermissible funds to an account not used to influence federal elections or refund the full amount to the donor.

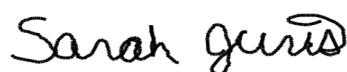

Please inform the Commission of your corrective action immediately in writing and provide a photocopy of your check for the transfer-out or refund. In addition, any transfers-out or refunds should be disclosed on Schedule B supporting Line 22 or 28 of the report covering the period during which the transaction was made.

Although the Commission may take further legal action concerning the acceptance of prohibited transfers, prompt action by your committee to transfer-out or refund the amount will be taken into consideration.

Please note, you will not receive an additional notice from the Commission on this matter. Adequate responses must be received by the Commission on or before the due date noted above to be taken into consideration in determining whether audit action will be initiated. Failure to comply with the provisions of the Act may also result in an enforcement action against the committee. Any response submitted by your committee will be placed on the public record and will be considered by the Commission prior to taking enforcement action. **Requests for extensions of time in which to respond will not be considered.**

Electronic filers must file amendments (to include statements, designations and reports) in an electronic format and must submit an amended report in its entirety, rather than just those portions of the report that are being amended. If you should have any questions regarding this matter or wish to verify the adequacy of your response, please contact me on our toll-free number (800) 424-9530 (at the prompt press 5 to reach the Reports Analysis Division) or my local number (202) 694-1175.
