Attention Ryan Lanz, Campaign Finance Analyst:

This memo is in response to the recent letters the committee has received from you. Listed below are our responses to each of those letters and a list of additional reports that are being amended and filed:

1) Mid-Year Report 1/1/03-6/30/03 (FEC letter dated March 23, 2005):
In response to your question about Schedule H1 and H4 and after discussing this matter with you by phone, this report has been amended to correctly reflect the disbursements on Schedule B, Line 21(b), instead of Schedule H. This change is due to the fact that the committee only operates out of one account and has only conducted federal activity and no state activity.

In response to your question about Schedule H1 and H4 and after discussing this matter with you by phone, this report has been amended to correctly reflect the disbursements on Schedule B, Line 21(b), instead of Schedule H. This change is due to the fact that the committee only operates out of one account and has only conducted federal activity and no state activity.
In addition, the report has also been amended to show the individual attributions for the contribution received from "Loeffler Jonas & Tuggey LLP" as requested.

3) July Quarterly Report 5/13/04-6/30/04 (FEC letter dated March 30, 2005):
In response to your request for clarification of the description of "Administrative Services" for the disbursement to Renee Kizziar, as discussed with you by phone, the report is being amended to reflect a description of "Administrative Consulting" with a text memo indicating that the services being provided by this individual include the review of reports and various documentation for the committee.
Also in response to your inquiry about the expenditure of the "Direct Mail Piece", this expenditure paid for a direct mail-out for the purpose of doing general fundraising for the committee and was not on behalf of any specifically identified federal candidate.
Additionally, in response to your question about Schedule H4 and after discussing this matter with you by phone, this report has been amended to correctly reflect the disbursements on Schedule B, Line 21(b), instead of Schedule H. This change is due to the fact that the committee only operates out of one account and has only conducted federal activity and no state activity.
