Dear Mr. Bozeman:

On July 30, 1996, you were notified that a review of the above-referenced report(s) raised questions as to specific contributions and/or expenditures, and the reporting of certain information required by the Federal Election Campaign Act.

Your August 12, 1996 response is incomplete because you have not provided all the requested information. For this response to be considered adequate, the following information is still required.

-Your response states that you received contributions after the Primary Election which are designated for the primary. These contributions may be accepted by you only to the extent that you have outstanding debts remaining from the 1994 primary. (11 CFR §110.1(b)(3)(i))

A contribution is considered to be made when the contributor relinquishes control over the contribution. A contributor shall be considered to have relinquished control over the contribution when it is delivered to the candidate, when it is delivered to an authorized committee of the candidate, or to an agent of an authorized committee of the candidate. A contribution that is mailed to any of the aforementioned recipients will be considered to have been made on the date of the postmark. Envelopes should be retained for the committee's records. (11 CFR §110.1(6))

If the contribution(s) accepted by you exceeds the amount of outstanding debt remaining from the 1994 primary election, you should refund the contribution(s). Refunds are reported on Line 20 of the Detailed Summary Page and on a supporting Schedule B of the report covering the period during which the refund is made.
