Dear Ms. Salter:

This letter is prompted by the Commission's preliminary review of the report(s) referenced above. The review raised questions concerning certain information contained in the report(s). An itemization follows:

-Schedule A of your report discloses contributions but fails to include the aggregate year-to-date total. Please amend your report to include the missing information for each of these entries. (11 CFR §104.3(a)(4)(i) and (iii))

-You must attempt to obtain the occupation and name of employer for all individuals who contribute more than $200 in a calendar year.

A committee may establish "best efforts" by providing the Commission with a description of its procedures for requesting the information and may also supply a copy of a solicitation: The committee must request the contributor information in initial solicitations; make follow-up requests (if necessary); report the information; and file amendments to disclose previously unreported information. Each solicitation must include a clear and conspicuous request for the information. If a committee receives a contribution that exceeds the $200 threshold but lacks contributor information, the committee must, within 30 days, make an additional written or oral request for the information. Please note that a written request may not include an additional solicitation or material on any other subject, other than thanking the contributor for the donation and must include a pre-addressed return post card or envelope for the contributor's
