Please be advised that EMILYs List uses 'best efforts' to obtain, maintain and submit the employer/occupation information required by the Federal Election Campaign Act. First, EMILYs List includes a clear and conspicuous request for the contributor information in all of our solicitations. EMILYs List also informs the contributor that federal law requires us to use our best efforts to collect and report the name, mailing address, occupation and name of employer for individuals whose contributions exceed $200 in a calendar year. Second, when EMILYs List receives a contribution from a contributor that, when aggregated with other contributions from that donor, exceeds $200 in a calendar year and that contributor has not provided the requested information, EMILYs List makes a follow-up request for that information within 30 days. This request clearly asks for the missing information without soliciting a contribution, informs the contributor of the requirements of federal law, and includes a pre-addressed post card or return envelope. Finally, EMILYs List will file with its next regularly scheduled report and each report thereafter an amended memo Schedule A disclosing all contributions for which the contributor information was received after the original report was filed. If you require further information or clarification, please contact us.

ALLOCATION RATIOS

NAME OF COMMITTEE (In Full)
EMILY's List

RATIOS FOR ALLOCABLE FUNDRAISING EVENTS AND DIRECT CANDIDATE SUPPORT ACTIVITIES APPEARING ON THIS REPORT.

Methods of allocation:

I. FUNDRAISING activities are allocated using the "funds received method" where the federal proportion of expenses must equal the federal proportion of monies raised.

II. Shared **DIRECT CANDIDATE SUPPORT** activities are allocated according to benefit expected to be derived, where the federal proportion of disbursements is based on the benefit derived by federal candidates from the activity. **For PACs Only**: Direct candidate support includes public communications or voter drives that refer to both federal and nonfederal candidates, regardless of whether there is a reference to a political party. Such expenses are allocated using a time/space method.
