RE: Jon Kyl for U.S. Senate C00279521

Dear Sir:

This letter is in response to a Federal Election Committee letter dated March 16, 2001, a copy of which is enclosed.

Mr. Harley Lisherness did not make a contribution which exceeded limits set forth in the Act. His latest contribution of \$1,000 was reported by us as having been received after the General Election. Additionally, his check was dated after the General Election. The envelope in which the check was received was postmarked after the General Election. We have, therefore counted his contribution for the 2006 Primary Election.

No amended report should be necessary

If you have any questions, please call me at (602) 840-0306 or (602) 956-7832.

Yours truly,

Clarence A. DeLong

Reference: 30 Day Post-General Election Report (10/19/00-11/27/00)

Dear Mr. DeLong:

This letter is prompted by the Commission's preliminary review of the report(s) referenced above. The review raised questions concerning certain information contained in the report(s). An itemization follows:

-Schedule A of your report discloses a contribution(s) which appears to exceed the limits set forth in the Act (copies attached). You should examine all of your contributions to check for additional excessives. The Committee's procedures for processing contributions should also be reviewed.

An individual or a political committee other than a qualified multicandidate committee may not make a contribution to a candidate for federal office in excess of \$1,000 per election. A qualified multicandidate committee and all affiliated committees may not make a contribution(s) to a candidate for federal office in excess of \$5,000 per election. The term "contribution" includes any gift, subscription, loan, advance, or deposit of money or anything of value made by any person for the purpose of influencing any election for federal office. (2 U.S.C. §441a(a) and (f); 11 CFR §110.1(b), (e) and (k))

If the contribution(s) in question was not completely or correctly reported, you should amend your original report using the new or corrected information. If the contribution(s) exceeds the limits, you should either refund to the donor the amount in excess of \$1,000 or request a written redesignation and/or reattribution of the contribution(s) from the donor. refunds, redesignations, and reattributions must be made within sixty days of receipt of the contribution. Copies of refund checks and copies of letters reattributing or redesignating the contributions in question may be used to respond to this letter. Refunds are reported on Line 20 of the Detailed Summary Page and on a supporting Schedule B of the report covering the period in which they are made. Redesignations and reattributions are reported as memo entries on Schedule A of the report covering the period in which the authorization for the redesignation and/or reattribution is received. (11 CFR §104.8(d)(2), (3) and (4))

The acceptance of excessive contributions is a serious problem. Again, the committee's procedures for processing contributions should be examined and corrected in order to avoid this problem. Although the Commission may take further legal action, prompt action by you to refund or seek redesignation and/or reattribution of the excessive amount will be considered.

Any amendment or clarification should be filed with the Secretary of the Senate, 232 Hart Senate Office Building, Washington, DC 20510. If you need assistance, please feel free to contact me on our toll-free number (800) 424-9530 (at the prompt press 1, then press 2 to reach the Reports Analysis Division). My local number is (202) 694-1130.
