RE: Mid-Year 2002 Report
FEC Identification Number: C 00279901

Dear Ms. Sugarman,

Enclosed is our Mid-Year 2002 FEC Report. This report includes contributions for which itemization is not required. The Feingold Senate Committee has taken the extra step of disclosing these contributions by providing a supplemental Excel spreadsheet. This spreadsheet lists all contributions received by the Feingold Senate Committee during the aforementioned reporting period, including contributions for which the contributor has given less than $200 during this election cycle (See Insert 1).

Please note that we would like to clarify the calculations of election cycle to date figures for some individual contributors due to the manner in which the FEC software calculates this number. As you know, the FEC software does not include refunds when compiling aggregates for election cycle contributions. Therefore, contributions from individuals to whom we have refunded contributions may erroneously appear to some viewers of this report as excessive. For your convenience, enclosed is a list of all contributors during this reporting period for whom we refunded contributions this cycle (See Insert 2).

Thank you in advance for your time.
