Dear Sir or Madam:

During the reconciliation of our report, we had many problems due to recent changes in the FEC report program. By changing the way we enter our memos and word our notes, we believe were able to resolve all but three of them.

Attached is a report showing this campaign cycle's activity for the three individuals affected by a totaling problem. The total showing on the FEC report is incorrect. Please note that all three have prior period reattribution memos in common. Two of them have only reattributions made to them.

Although we had records similar to Mr. Stambaugh's that we were able to change in order to get them to total correctly, for some reason, we could not do so with his record, even though, to the best of our knowledge, we used the same procedures.

When we are able to completely solve the FEC report problem, we will sending amended pages for the above referenced individuals.

Please let us know if you require clarification.

Respectfully submitted,

Jerry Bowler
