Subject: October Quarterly Report (7/01/00 – 9/30/00)

Dear Ms. Kang:

This letter is in response to your request for additional information regarding the above-mentioned report. An itemization of the questions raised follows:

Schedule H4 of our report discloses a ratio for "administrative / voter drive" expenditures that is different from the Schedule H1 submitted at the beginning of the 2000 election cycle because our ballot composition changed during the election cycle. There was a special election in Georgia to replace U.S. Senator Paul Coverdell who passed away. Unsure of how to disclose the change in our ballot composition, our comptroller, Madeline Freberg, spoke with you about the appropriate way to revise Schedule H1 mid-election cycle. Per your instructions we submitted a revised Schedule H1 showing the effective date of the change at the top of the page. No further disclosure is needed.

At your request, we have revised some of the descriptions used on Schedule H4. None of the expenditures were made on behalf of federal candidates so further disclosure is not needed. Please find the enclosed amended Schedule H4.

Please see page 7 of 91, Schedule H4 of our original report for an example of how we are disclosing the original vendors from which we have made purchases using a credit card. We have listed each of the vendors where payments exceed $200. No further disclosure is needed.

Your letter states that Schedule A line 12 did not show a corresponding transfer-in from the State Party Democratic Victory Fund disclosed on Memo Schedule A totaling $2381.65. We did not receive a transfer-in totaling $2381.65. The Memo Schedule A was included in our report because it includes the gross receipts from a joint fundraiser. I have enclosed an amended Schedule A line12 that more clearly reflects the joint fundraising activity.

Schedule B line 23 has been amended so that the election designation is clear.

Schedule A line 11c has been amended to included the full name of the ATLA PAC as well as The Watkins PAC.

I have enclosed the applicable amended schedules and summary pages of the October Quarterly Report. Please feel free to telephone me if you have additional questions. I can be reached at 404-885-1998.
