Reference: 30-Day Post General Report (10/1/06-11/27/06)
ID # C00401455

Our procedure for obtaining the occupation and employer of donors is as follows:

1) Make an ask for the information when soliciting for the donation
2) Send a request of information form with a remit envelope immediately.

If the donor does reply with the occupation and the employer then an amended report is sent.

Schedule B of the report disclosed a "transfer of $7,162.62 this money went to the state political action committee that actually cut the checks for the independent expenditures. The $7,162.62 was the total that committee ID C00401455 owed and was (wrongly) reported in the Form 9's but was amended to the Form 24's

The Independent Expenditures were filed on the Form 9's based on a call made to the Federal Elections Commission on 10/18/2006. I called to enquire about the instructions of filing them on the Form 24's and they indicated that I should be filing on the Form 9's. Later (date unknown) I received a call from the Federal Elections Commission inquiring about these Form 9's and they told me that they should have been form 24's. But that I didn't need to amend the reports and file the form 24's that the Form 9's would be sufficient.
