Re: 30 Day Post-General Report (10/17/96-11/25/96)

Dear Ms. Carothers:

In response to your letter dated January 14, 1997, enclosed please find an amended 30 Day Post-General Report which includes the financial transactions that occurred between 10/17/96 and 11/25/96.

Enclosed please find an amended Report of Receipts and Disbursements and a Detailed Summary Page which now reflect the correct Year-to-Date totals in Column B.

We have refunded $1,500.00 of the contribution made by the Goodkind Labation Rudoff & Sucharpw LLP. There was a data entry error which put the $500.00 contribution into a different record. Also for some reason the software did not kick out the second $1,000.00 contribution from this partnership. I am in contact with the Technical Support area of the software company to rectify this problem.

I am enclosing a copy of the Notification of Multicandidate Status from the National Jewish Democratic Council Political Action Committee which states that the committee met the requirements on 08/16/96. I hope this clears up this matter

I have enclosed amended pages of Schedule A which indicate the total amount of the earmarked contributions from Emily's List for contributions under $200.00 and for contributions of $200.00 and above.

I have enclosed the pages in Schedule A that need to be amended due to the lack of any addresses. There are two addresses that I have been unable to obtain at this time but I have enclosed copies of letters that I have sent in my effort to obtain these addresses. I will notify you when I receive the information.

The Finance Director has informed me that to the best of her knowledge all 48 hour notices were faxed to the FEC during the appropriate time period. There may have been a data entry error during those last crazy days of the campaign, which would account for any discrepancy in dates.

If you have any further questions, please contact me.

Very truly yours,

Margaret May
